AWARDS

Best Action/Adventure Film

San Diego Comic Con International
Independent Film Festival, "Karman"

2016 FSU Academic Leadership Award

Awarded for my role in co-founding an
ACM SIGGRAPH chapter at FSU,
student teaching nuke compositing,
and aiding in initiating a VR research
project within the College of Motion
Picture Arts.

EXPERIENCE

Nuke Compositor | Various

Crafty Apes

FEBRUARY 2020 - MAY 2020, NEW YORK CITY

- Star Trek Discovery, Season 3 (Episodic)
- Woman in the Window (Feature Film)

Moon and Me | Episodic

Bento Box Entertainment

SEPTEMBER 2017 - OCTOBER 2019, ATLANTA

- Colorist - 39 Episodes
- Online Editor - 50 Episodes
- Lead Compositor - 3 Episodes + R&D

Hired initially as a Nuke compositor, I was soon asked to be the comp team lead, where I worked for a year developing the show's signature effects and compositing the first three episodes of the program. I was later promoted to online editor and used DaVinci Resolve and Nuke Studio to finish and deliver all 50 episodes to BBC. I was fortunate to apprentice under seasoned colorist Harry Conquest who color graded the first 11 episodes of the program before I took over for the remaining 39.

First National Bank Vinita Promotional Campaign | Commercial

The Pod Advertising Agency

FEBRUARY 2017 - MAY 2017, TALLAHASSEE

- Director/Editor - 2 Promotional Spots

Static | VR Short Film

Independent, Frank Patterson (President, Pinewood Atlanta Studios)

AUGUST 2016 - NOVEMBER 2016, TALLAHASSEE

- Post Production Supervisor
- 1st Assistant Director

Director: Greg Marcks, Executive Producer: Frank Patterson

EDUCATION

Florida State University College of Motion Picture Arts | BFA in Motion Picture Arts, Digital Arts, and Animation

SEPTEMBER 2012 - AUGUST 2016

Worked on 32 short films, live action and animated, across virtually every crew position from pre to post production. Graduated with honors and honors in the major. Recipient of the **2016 FSU Academic Leadership Award**.
